STUDY LOCALLY. LIVE GLOBALLY.

SCHOOL OF SOCIAL SCIENCES

The School of Social Sciences at AUPP houses the General Education (GE) and International Relations and Diplomacy programs. The General Education program is the foundation of all the degrees offered at AUPP. The GE program enables students in all majors to experience interdisciplinary American-style education by exposing them to a variety of subjects, and enabling them in their first years of study to acquire the necessary academic skills to succeed in their respective programs.

WHY STUDY SOCIAL SCIENCES AT AUPP?

 Modern facilities

 Gain an understanding of social issues and learn how to address them through effective policymaking

 Open doors to high-ranking Masters and PhD institutions around the world

 Gain real world experience through internships

 Gain an expertise on Southeast Asia and contribute to the region's development

 Master diplomacy, cultural communication, and conflict resolution

 Access a wide range of careers in government, non-profit organizations, research institutions, and international development agencies

Bachelor's Degree

Bachelor of Arts in International Relations and Diplomacy / Bachelor of Science in Political Science

► Single Degree
► Dual Degree

The Bachelor of Arts in International Relations and Diplomacy prepares students to become global leaders and policymakers, focusing on Southeast Asian issues as well as global challenges. Through problem-centered teaching, students develop critical thinking and problem-solving skills, exploring issues like conflict, globalization, and the rise of non-state actors. Students will learn to design effective foreign and domestic policies in development and security matters, preparing them for careers in government, international organizations, NGOs, and multinational corporations.
